Honorable Carroll D. Kearns
House of Representatives
Washington 25, D. C.

Dear Mr. Kearns:

By memorandum dated 23 March 1959 you forwarded to me a letter from [redacted] dated 19 March 1959. [redacted] indicated his interest in establishing a barber shop concession in the CIA headquarters building presently under construction in Langley, Virginia.

We have received a number of letters from businessmen indicating their interest in establishing concessions in the new building. If our facilities would permit the inclusion of private concessions, we would be pleased to consider Mr. [redacted] request. However, at the present time we have no plans to provide space for concessions or other commercial purposes in the new building.

Your referral of [redacted] letter is appreciated even though we are unable to consider his request at this time.

Sincerely,

(S)

H. Gates Lloyd
Acting Deputy Director
